COMMENTS

The Public Representative has reviewed the Postal Service's Notice of Modification to International Priority Airmail, Commercial ePacket, Priority Mail Express International, Priority Mail International & First-Class Package International Service with Reseller Contract 2. Based upon that review, the Public Representative concludes that Contract 2, as modified, should continue to generate sufficient revenues to cover costs and thereby satisfy 39 U.S.C. § 3633(a) and thus should be approved by the Commission.

Finally, the Postal Service must file revenue and cost data for Contract 2 in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for Contract 2 for compliance with 39 U.S.C. § 3633(a).

³ See Order No. 5571 Order Adding International Priority Airmail, Commercial ePacket, Priority Mail Express International, Priority Mail International & First-Class Package International Service with Reseller Contract 2 to the Competitive Product List, Docket No. MC2020-169 and CP2020-192, June 30, 2020.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
